The Grand Rapids Office of Emergency Management will be hosting and facilitating three sessions of ICS 300 this fall. **If you hold a role in the Emergency Operations Center (EOC) or in any response in the field during or afternoon an emergency/disaster, this class is essential. Spots are still available.**

Please share this training opportunity to anyone in your department/organization that would like to take this and/or would benefit from this course.

Class options are below. If you are interested and have personnel who need to take this course, please have them register on MI-TRAIN. Registration instructions are attached. Registration closes approximately 1 full week before the first class.

Registration Portal: <https://www.train.org/mi-train/home>

All three classes will be held at the GRFD Training Center (1101 Monroe Ave NW, Grand Rapids)

Pick between one of the three timeframe options:

Class 1 (hours split between the following dates): **9 seats available**

- Wednesday, September 21 8am to 5pm
- Friday, September 23 8am to 5pm
- Wednesday, September 28 8am to 2pm

Class 2 (hours split between the following dates): **15 seats available**

- Thursday, September 22 8am to 5pm
- Wednesday, October 5 8am to 5pm
- Wednesday, October 12 8am to 2pm

Class 3 (hours split between the following dates): **8 seats available**

- Thursday, October 6 8am to 5pm
- Monday, October 17 8am to 5pm
- Monday, October 24 8am to 2pm

ICS-300 provides an in-depth focus on the NIMS Incident Command System (ICS) that includes the tools, practices, and procedures that are available in ICS to effectively manage emergency incidents or planned local events at a local Type 3 level. Expanding upon ICS-100 and -200, this course ensures that responders understand the basic ICS concepts that allow an incident management organization to expand and contract as needed to fit the incident and maintain its operational effectiveness.

Specific Course Topics

- *Roles and Responsibilities*
- *Initial response activities*
- *Staffing and organizing*
- *Relationships and interactions with staff and other stakeholders*

PEDIATRIC DISASTER RESPONSE AND EMERGENCY PREPAREDNESS MGT-439

**Double Tree by Hilton Hotel Bay City-Riverfront
One Wenonah Park Place
Bay City, MI 48708**

October 18th & 19th, 2022

8:00AM to 5:00PM

(Sign-in will start at 7:30AM each day of the course)

The 2010 report by the National Commission on Children and Disasters identified a training gap for emergency responders, first receivers, and emergency management personnel that reduced their effectiveness in responding to pediatric patients and their unique needs/considerations. This two-day course addresses pediatric emergency planning and medical response considerations through a combination of lectures, small group exercises, and a table-top exercise.

Region 6 News:

I hope all of you had a wonderful Labor Day this past week.

As discussed in our meetings, we are going to start the regional activities back up. In the next coming weeks, be on the lookout for surveys regarding contact information. The surveys we send out are vitally important as they are required to keep our contact list up to date and are a requirement of the ASPR grant.

Our Region 6 Healthcare Coalition meeting will be held virtually on September 15th. We will have a speaker from the state discussing new volunteer programs.

The region's education schedule is filling up!! Make sure to look at it for new and exciting education.
