

Region 6 Healthcare Coalition Minutes – Trailer Repurposing Planning Meeting

Date: July 28th, 2020, 1pm

Chairperson: Luke Aurner

Agenda Item	Discussion	Action	Process Owner/Deadline
Welcome	<p>Present: Luke Aurner, Leon Conklin, Tim Dickman, Damon Obiden, Courtney Greene, Eric Smith, Datro Cartman, Doug DeVries, Amanda Lemkuil, Ken Shawl, Lynette Kemme, Aaron Crawford, Jenna Heraghty, Lance Corey, Chad Crook, Heather Miller, Alex Truman, Matt Gulick</p>		
Disucssion	<p>Purpose of meeting is to discuss plans to upgrade trailers to be command trailers. We currently have 2, during the COVID response we had multiple places reach out to use these. We currently have up to 5 trailers we could convert.</p> <p>Discussion took place about previous trailer project (Goals of use for previous project: Incident Command, Rehab, Disaster Response, First Aid). Damon has documentation for previous MMRS trailer.</p> <p>Currently the 2 we have been deployed in Mt. Pleasant and Hackley.</p> <p>Luke made possible proposal: suggested that we look at cost to outfit 1 trailer for A/C, heating off of propane, lights, and 110 hookup.</p> <p>Suggested to check with state to see if any command trailers were turned back into state from other regions. Will also look at RV rental costs for if the trailer is only needed to get people out of the elements. Luke will also get quote for tents.</p> <p>Sustainability discussion took place, upkeep cost is relatively low on trailers.</p>	<p>Group agreed to have Luke get quote to see what the cost will be, include generator in quote.</p> <p>Meeting request will go out to group once quotes are obtained.</p>	
Round Table			
Adjourn	<i>Next Meeting: To be scheduled once quotes are received.</i>
