1:00pm—5:00pm

Basic Disaster Life Support

This course is a competency-based, awareness-level course that introduces concepts and principals to prepare health professionals for the management of injuries and illnesses caused by disasters and public health emergencies.

The BDS course is aimed at a broad range of audiences including healthcare, public health, EMS, MFR and all receivers.

This is a hybrid course consisting of 4 hours of online instruction prior to class, then 4 hours of instructor-led exercises on site.

This course is being provided by the Region 6 Healthcare Coalition at NO COST.
