

Online Burn Surge Facility (BSF) Training 2022 -- August 9, 2022 & November 8, 2022

In order to protect partners from exposure to COVID-19, the SBCC will be continuing to conduct 2022 Burn Surge Facility Training online. The SBCC is confident attendees will obtain the information they need to participate in mass casualty burn care. Training will be offered on the following dates and will run from 8:00am to 2:30pm. This meeting is intended for HCC leadership, burn surge facilities and burn centers, **please share with your HCC member organizations.**

- **August 9, 2022**
- **November 8, 2022**

Participants will also need to complete **ABLS Online** before the Burn Surge Facility Training online course **and send the completion certificate to Sarah Parviz** (separviz@med.umich.edu) at the SBCC. After returning the attached registration form, you will receive the following:

- A ZOOM link for training day presentations
- A link for ABLS Online

Please feel free to contact Sarah Parviz (separviz@med.umich.edu) with any questions or concerns. To register, please complete the attached form and email to: Sarah Parviz at (separviz@med.umich.edu).

ASPR TRACIE Disaster Available Supplies in Hospitals (DASH) Tool Webinar – August 15, 2022

ASPR TRACIE is hosting an overview webinar on the new DASH Tool. DASH is an online, interactive tool for hospital emergency planners and supply chain staff to estimate supplies that may need to be immediately available during various emergencies based on their hospital's characteristics. The webinar will provide an overview and demonstration of DASH, in addition to sharing information on how it may be used from both the hospital and supply chain perspective. The webinar will take place on August 15, 2022, from 11:30 AM - 12:30 PM ET. [Register today!](#)

Special EIIC Training for Hospital Pediatric Champions -- August 30, September 27 and October 25, 2022

EMSC Innovation and Improvement Center Partnership (EIIC), HPP and the EMS-C programs are working with the EMSC Innovation and Improvement Center (EIIC) on a series for the Pediatric Office Hours breaking down the Pediatric Disaster Preparedness Toolkit for hospitals. (<https://emscimprovement.center/education-and-resources/toolkits/pediatric-disaster-preparedness-toolbox/>). This series starts on August 30th from 2:00-3:00pm.

A Save the Date will be coming soon, continuing education credits will be available, and **this opportunity must be shared out with Pediatric Champions across the state.** This is an exciting opportunity to be a pilot program as the first state in the country receiving this training.

Recordings of the 2022 Behavioral Health Symposium

Recordings and the presentations for each of the 2022 Behavioral Health Symposium sessions have been posted to MI-TRAIN <https://www.train.org/main/course/1105127/compilation>. These recorded sessions are not eligible for credits.

Ethical Guidelines for Implementing Crisis Standards of Care for EMS

This session covers the Ethical Guidelines for Implementing Crisis Standards of Care during a public health emergency for EMS. The learner will discover that there are many layers to planning and preparing for a crisis and the important role that EMS plays in caring for their communities. This archived webinar is worth 0.5 EMS Credits - Operations. In order to receive credit, the learner must watch the entire video and score an 80% or better on the post assessment. Visit www.Mi.train.org ID#1105145.

Skilled Nursing Facility Infection Control Grant Program

MDHHS has opened a grant opportunity to licensed skilled nursing facilities to support expenses associated with structural adaptations to support infection prevention and control during the period of March 3, 2021 through September 30, 2023. Facilities must complete an application process, with a submission deadline of 5:00 PM ET September 12, 2022. For additional details, eligibility requirements, and application information see the requests for applications below. Additional questions about the application process or eligible use of grant funds should be submitted to MDHHS-ICGRANTS@michigan.gov in advance of the submission deadline.
